

In the 21st century, the pure academic type of education that students are produced to, is steadily paving way to a whole new type of education with a special focus to incorporate three major genres of education: reasoning, psychomotor and emotional

learning.

We at SRI focus on all the mentioned zones with whole new aspects using **Creative Teaching Model, Inquisitive Clubs** and **Nonscholastic Activities**.

The aesthetic development like character building, spiritual and moral values, physical growth, creativity and many more are backed up by co-curricular activities only. It also professes coordination, adjustment, and speech fluency, extempore and debating skills amongst students. It teaches the students to stand up for their rights. Co-curricular activities render a number of values like ; Educational Values, Psychological Values, Development of Social Values, Development of Civic Values, Physical Development Values, Recreational Values and Cultural Values.

Take a look at the insight of school's activities.
