## Birthday wishes to Evelyn by SRI

*"My whole life is about sound. It's what makes me tick as a human being"*

**Evelyn Glennie** is the first person in history to create and sustain a full-time career as a solo percussionist, performing worldwide with the greatest orchestras and artists. She lost her ability to hear. But she never let that become an obstacle impossible to overcome. She knew that she wanted to become a musician and worked hard towards her goal. She had learnt to open her mind and body to sounds and vibrations.

In English curriculum for Grade: IX has a chapter **"The Sound of Music"** a deaf musician called Evelyn Glennie. Since her life is greatly inspired by Grade: IX students of Sri Ranganath International School, Bagalkot. An English activity to wish her **"A VERY HAPPY BIRTHDAY"** on **19<sup>th</sup> July 2023**, a video was created wishing her under the guidance of Mrs. Vasudha Narvekar and it was sent on her official Email Id. A prompt reply was received from her.

## ***Parent's Feedback***

Ditya's mother sent message to SRI School management to express her gratitude for our kind support. She writes , "I am really very thankful to Principal and SRI team for their wonderful guidance and teaching". (Ditya of Grade: 5th hostel student.). Principal sir, as I still remember your promising words at the time of admission : that you would feel comfortable, staying at hostel and his words built a secure feeling in us. We believe that you hold a great responsibility in bringing her up. We are very sure Ditya will emerge as a great leader in her life.

Thank you so much!
