APPRECIATION CERTIFICATES

“Excellence is not a skill, it’s an attitude”

A certificate of **Appreciation** is given to the student to acknowledge him/ her. An **Appreciation** is a better way to express your gesture to appreciate the students for their outstanding performance and creative work.

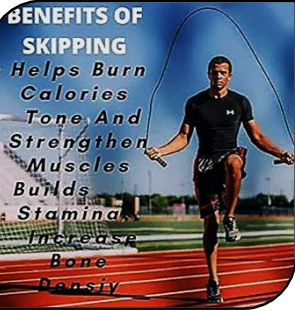

During Morning Assembly on **1st September 2023**, Sri Ranganath International School teachers honored students formally with **Appreciation Certificates** of different classes.

Appreciation Certificate helps to encourage the students to keep it up with their performances in the future Academic years as well.

ROPE SKIPPING CHAMPIONS

“Jumping my way to a stronger mind and body”

A *skipping rope* or *jump rope* is a tool used in sport of skipping/ jump rope

where one or more participants jump over a rope swung so that it passes under their feet and over their heads. *Rope Skipping* encourages a healthy, active lifestyle and a favourable attitude towards physical activity as a wellness activity.

The Rope Skipping Competition was organized by Rope Skipping Association of Karnataka at Bailhongal on **2nd and 3rd September 2023**. In this competition five Students from Sri Ranganath International School, Bagalkot of classes: IV to X participated with energy and enthusiasm to showcase their remarkable talent.

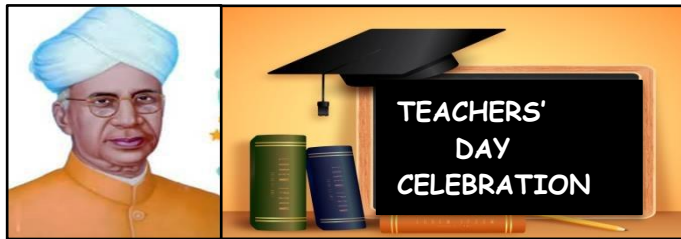

The competition featured a diverse range of events that put participants' skills to the test. In the individual category, students from *Sri Ranganath International School* competed in *master events, speed hop, speed sprint, double under, and endurance, displaying their agility, speed, and stamina*. However, it was not just individual

excellence that our students also excelled in group events as well. The *double under speed relay and double dutch speed relay were particularly thrilling* to watch as students synchronized their movements with precision and teamwork. *These events demonstrated that success in skipping is not just about individual talent but also about the harmonious coordination of a group.*

The competition served as a platform for SRI students to showcase their talent, teamwork and dedication. Moreover, highlighted the importance of physical fitness and sportsmanship in their holistic development. It was a day when students skipped their way to success, leaving an indelible mark of achievement in the school's history

As the competition concluded, the school celebrated its students' achievements with pride and enthusiasm. The students' names are: Prajwal Tippa, Keshav Malpani, Tarun Tippa, Pranav Kabra and Namish Rathi.

“Teachers at the heart of education recovery”

In India we celebrate *Teacher’s Day* on **5th September** to honor former President of India and a visionary educator, Dr.Sarvepalli Radhakrishnan. This year’s theme is *“Teachers at the heart of education recovery”*. The day is celebrated to appreciate the role played

by teachers in the life of students, the leaders of tomorrow. Teachers are the backbones of education system & support upbringing of numerous students.

Sri Ranganath International School **September 2023** with fervor and students gathered in the school atrium event began with a ceremonial Shri.Rukmasa Kavade, Principal Mr.Vikram

celebrated *Teachers' Day* on **5th** enthusiasm. All the teachers and with fervor and enthusiasm. The inauguration by Secretary Narvekar and Vice-Principal Mrs.Vasudha

educators who play a pivotal role in shaping young minds. *Each teacher was recognized for their tireless efforts, profound influence of educators and an acknowledgment of strong bond between students and teachers that*

goes beyond the classroom.

To add a touch of fun and camaraderie to the occasion, the teachers themselves became participants in some lighthearted games. *Laughter and cheers filled the air as teachers* competed in various activities, reminding everyone that learning can be enjoyable at any age.

Students, eager to express their gratitude and admiration, organized a range of activities that showcased their love for their teachers. The event was a memorable occasion that celebrated the vital role, teachers play in imparting knowledge and shaping the future leaders.

Krishna Janmashtami

Janmashtami is celebrated as the **birthday of Lord Krishna**, one of the most powerful and famous reincarnations of Lord Vishnu. Also known as **Gokulashtami**, the festival falls on the **Ashtami of Krishna Pasksh** or the 8th day of the dark fortnight in the month of Bhadrapada.

Krishna Janmashtami was celebrated on **7th September 2023**

Students of primary section were beautifully dressed up as **Lord Krishna and Radha**. The little kids added a traditional touch to the entire celebrations when they danced to the beat of Janmashtami songs, filling the environment

with joy and spirit. The main attraction of the event was the **"Dahi Handi"** breaking competition was held between day boarder boys and hostel boys of Classes: VIII – X. The hostel boys won the competition.

The Principal highlighted the significance of this blissful occasion is **to encourage goodwill and to discourage bad will**. He also advised students **to spread love, compassion, tenderness** and to look ahead instead of reminiscing in the past. Later, he rewarded the **"Dahi Handi"** winners with a Trophy and Certificates.

Information Technology Exhibition

Technology can become the “wings” that will allow the educational world to fly farther and faster than ever before – if we allow it.

Computer is the **greatest technology** and advance investments. Sri Ranganath International School hosted a noteworthy IT exhibition on **8th September 2023** by students of **Classes: I – X**. The event witnessed enthusiastic participation from every class within the School. Each class exhibited innovative IT models, ranging from sophisticated projects like Chandrayan-3 to practical solutions such as Arduino Cars and ATM simulators.

The IT exhibition served as an invaluable educational opportunity for all students. It facilitated hands-on exploration of technology, engineering & innovation. Children eagerly participated in order to enrich their minds with knowledge and new technology. Students came out with technological ideas like **ATM Machine, Swipe machine, Chandrayan-3, Bluetooth, Cyber security, Clap-Switch,**

Phone pe, WhatsApp, Facebook, etc.

The exhibition not only showcased **hidden talents and create awareness of technologies** within the students but also emphasized our dedication to nurturing young minds and empowering them to aspire to greatness. The IT team extended their gratitude to all participants, teachers, staff, and parents who supported this event. Without their collective effort and enthusiasm, this exhibition would not have been possible.

Designing of Question Paper

“A prudent question is one half of wisdom.” - Francis Bacon

A **Question paper** is the most commonly used Assessment tool. Assessment is conducted to gather information about students' learning. **Better understanding of Question Paper Pattern and Question's Language- Guarantee of Better Result.**

Ms.Lola Shivshankar SSF from ACT, Bengaluru conducted training session for teachers of Sri Ranganath International, Bagalkot on **9th September 2023**. Designing a good question paper is an art. It requires an

understanding of the subject i.e. being tested and the procedure of developing a balanced question paper that matches students' ability levels.

Understanding the framework of question paper develops self-confidence of students as well as

increases their self-esteem. Quality in assessment is characterized by **validity and reliability**.

"Hindi mera Imaan hai, Hindi meri Pehachan hai, Hindi hum main, Vatan bhi mera Pyara Hindustan hai." Hindi Diwas is celebrated on 14th September every year, across the country in schools, colleges, offices and organization.

It is a significant occasion to commemorate the adoption of Hindi as the official language of India. The first **Hindi Diwas was celebrated in 1953**; thereafter it is being celebrated every year. It is a momentous event that **promotes the rich linguistic and cultural heritage of Hindi**, and it holds a special place in the hearts of every Indian.

At SRI school, we proudly celebrated Hindi Diwas on **14th September 2023** with a grand affair that showcased the essence of the Hindi language. The program started with school prayer. The Chief guest for the function was our school Principal Mr. Vikram Narvekar. Students from different grades showcased their talent through various dance

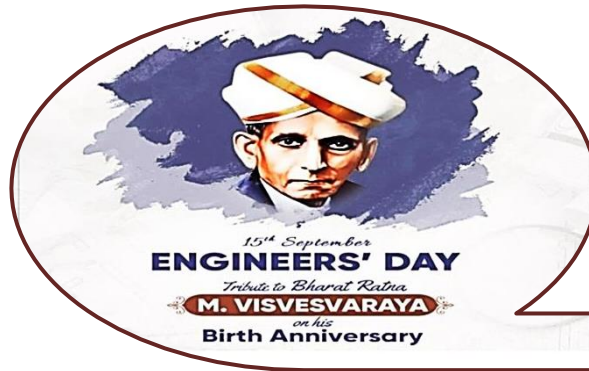

forms, including Bollywood, classical, and folk dances. The fusion of traditional and contemporary dance forms displayed the diversity and vibrancy of Hindi culture.

Students participated in Hindi poetry recitations and debates. **Hindi, one of the most widely spoken languages in the world**, serves as a unifying force in India. It is not just a language but a **symbol of our nation's unity in diversity**. Hindi has a rich literary heritage, with famous poets and

writers contributing significantly to the world of literature. It is a language that connects us to our roots and helps us preserve our cultural identity.

Engineers Day is celebrated in India every year on **15th September**, on his birthday as a tribute to the greatest Indian Engineer **Mokshagundam Visvesvaraya**, popularly known as Sir M.V. He was awarded with the highest civilian award, **Bharat Ratna in 1955** for successfully **designing and constructing several river dams, bridges and revolutionizing the irrigation system** in India by implementing irrigation and drinking water system.

During Morning Assembly on **15th September 2023**, **Engineers Day** was celebrated and the Engineer teachers of our school were felicitated on this occasion. Ms.Marjeena Chittargi and Ms.Aishwarya said in their speech that **“Science is about knowing, Engineering is about doing”** and spoke about the importance of **Engineers** in our daily life.

Engineers have given important contribution to the development of our country and they play the most important role for building of any nation. The program concluded with National Anthem.

DISTRICT LEVEL SCIENCE EXHIBITION

"The art & science of asking questions is the source of all knowledge."

The SRI School had **District level Science Exhibition competition** for all Government schools of Bagalkot on **22nd September 2023**. The competition was conducted by Education Committee of Bagalkot district. It was an awe-

inspiring **showcase of innovation, creativity, and scientific inquiry**.

The **SRI School** had given them a **great platform to exhibit their talents**. This event brought all the particiip-

ants together from various schools who enthusiastically displayed their scientific models, experiments & ideas. The exhibition not only provided a platform for young minds to explore the wonders of science but also fostered collaboration and healthy competition.

Various guests were invited from different places to address the gathering and judge the competition. The Chief guest DDPI, B.K.Nandnoor said in his speech that just learning Science is not enough, taing benefits from the knowledge and discovering more things which can be an asset to the society is important. Educationalist, Sir M.A.Balikai inspired students ***"to become Scientist and shared the importance of Science & Technology in the modern world"***.

Winners were announced and further selected for state-level competition. There was huge contribution by our Principal Mr.Vikram Narvekar, the school Management, teachers and non-teaching staff of SRI were been a part of this exhibition.

There were students from 34 districts, nearly 100 students presented about 130 models beautifully. Educationalist Sir Badadani said ***"knowledge alone is not important, knowledge with principles is important"***.

Investiture Ceremony 2023 – 24

The *investiture ceremony* is a solemn occasion when we acknowledge and celebrate leadership, responsibility, and the spirit of service.

The *Investiture ceremony* for the academic year 2023-24 was held on **23rd September 2023** with pride, honor and dignity at SRI School. The **Chief guest** for the event was **Shri. D.B. Danshetti, Principal, Polytechnic college of BVV Sangha**

Bagalkot. The chief guest was honoured by **Secretary Rukmasa Kavade, Principal Mr. Vikram Narvekar, Vice-Principal Mrs. Vasudha Narvekar and Tulajasa Dani** with the school band and was taken to the stage.

The Ceremony was commenced with lighting of ceremonial lamp. Then a melodious welcome song was sung by Grade:

6 students. For the ceremony the parents of council members were invited. Then the **Chief guest administrated the oath to the newly elected leaders** and council members of student's **classes: III-V and VI-X**, then badges were assigned to them. The Chief guest then delivered a pertinent speech aquanting the leaders about their duties. Then the Principal congratulated the newly appointed Students' council members and

also motivated them to be impartial and honest in leadership, unity, discipline and morality.

Students' Council: Head Boy, Head Girl, Sports Boy & Girl, Discipline Head Boy & Girl, Cultural Head Boy & Girl, Magazine and Media Head Boy & Girl and four House Captains & Vice-Captains.

SRI School gives opportunities for the upcoming leaders. The school motivates children to inspire and embark on this exciting journey of leadership and service.

Growing Like a Tree of Knowledge at SRI School and Hostel

--- EXPERIENCE OF SPOORTHI (Grade: IX)

"My journey at SRI and Hostel has been transformative. It's often said that students are like small plants, and education is the nourishment that helps us grow into trees of knowledge, as students need a nurturing environment, excellent teachers and nourishing food to flourish.

At SRI, I found unwavering support for my educational journey. The post-class sessions have been a game-changer for both exam preparation and overall learning. My first experience in a hostel was filled with excitement and a touch of apprehension. I quickly adapted, creating plans that allowed me to thrive.

The evening classes were a revelation, with teachers not only clarifying doubts but also motivating us and imparting valuable additional knowledge. My time at SRI has been an incredible learning experience.

SRI also takes great care of our well-being. The quality of food is excellent, and the daily schedule balances study, recreation, and physical activity. The friendly and diverse teaching methods of the teachers ensure that every student grasps the subject matter and feels comfortable asking questions.

There's no favoritism among students; instead, teachers support everyone, regardless of their academic background. The hostel's serene environment, surrounded by lush greenery and fresh morning air, brings a sense of joy that lasts all day. The hostel staff, including the sisters, are not just supportive; they're like family. Any problems we face are swiftly resolved, leaving us with one primary focus: achieving our academic goals.

SRI recognizes and nurtures the talents of every student, encouraging participation in various competitions. It's been a rewarding experience, thanks to the dedicated teachers and the friendships forged. Today, I'm not only comfortable but also thriving in the hostel. This journey has been a valuable learning experience for me. "

A piece of heaven on hill at SRI School and Hostel

--- *EXPERIENCE OF MOHAN (Grade: VII)*

"I have no words to describe about SRI School and Hostel. It's like a piece of heaven on hill. Last year I came to school, everything was new for me and I was little scared. But soon after few days, I made many friends and started talking with all the teachers.

At SRI, many activities are being conducted almost everyday like; quiz, sports, MPT, Assembly programs, competitions, etc. After joining here, I also learnt to speak in English. Compared to my earlier school, here the teaching methods of teachers are excellent and ensure that every student understands the topic and feels comfortable to ask questions.

I have learnt a lot from SRI School, thanks to all the teachers, Principal sir, Vice-Principal mam and all my dear friends because you all helped me a lot. We also have Library in our school. During library class we go to read books. In Science lab, we do many new experiments and learn new things. The food in the canteen is so good and healthy.

Initially, when I joined SRI hostel I would get scared and cry because earlier, I never stayed away from my parents. But, the hostel warden and brothers were very supportive and took care of me like my family members and advised me to focus on achieving academic goals. Warden sir is become so close to me that untill I share any matter, I can't have peace of mind. In playtime/ free time we play different games or water the plants. After joining hostel, I learnt to be independent, discipline, cleanliness and time management.

This journey has been an incredible learning experience for me that I request school management to built P.U.C. so that I can continue my studies with friendly and diverse teaching methods at SRI upto P.U.C., surrounded by lush greenery and fresh environment.

Thank You!

Parent's Feedback

"Great opportunity to open two ways communication for the welfare of kid"

Swarali Ukkali's parent (Mr. Sagana Ukkali) sent message to SRI School management to express his gratitude for your kind support. He writes, "I feel proud to say that my both children are studying in your school. The bonding between teachers and students is so nice. Teachers are taking individual care of each child. The school has nice campus with all the abilities. Curricular and extra-curricular activities are given equal importance. The school is providing tasty and hygienic food. Regular meetings are conducted between management, Principal and teachers to upgrade the facilities of SRI school." (Swarali & Swapnil Ukkali of Grade: 2 and 8 respectively).

Thank you!

It's my pleasure to speak about SRI school. I am the father (Mr. Santosh Pattanshetti) of Ms. Akhila P. of Grade: 6th B studing in SRI School. He writes "I am very much proud of SRI school as they follow various new innovative educational initiatives. Moreover, really thankful to the Principal Mr. Vikram sir and especially to the Class teacher Mr. Vijaykumar sir who insists to implement various innovative ideas and techniques to improve daughter's memory. Really, we appreciate to see Exam papers prepared by teachers, using Application based, creative thinking and provoking questions. HOT questions will help students to inculcate knowledge and be more fruitful for their future life. We are thankful to SRI School staff and management."

Thanking You!

ಆಶೀರ್ವಾದ ನನ್ನ ಮಗನ ಮೇಲೆ ಸದಾ ಇರಲಿ ಎಂದು ಆಶಿಸುತ್ತಾ.....

ಧನ್ಯವಾದಗಳೊಂದಿಗೆ

Mrs. Ashwini Talikoti mother of Ms. Aradhya T. of Grade: 6th B sent
message to SRI School management to express thanks for your co-
operation. She writes "Parents must and should take care of their child
mam. If we go through in our own personal problems then surely the
child's future will spoil. School is not responsible for everything but in my
case whatever she studied till today that is from you teachers.

Once again thank you so much mam for your care and support mam."

Thank you so much!

Priya Bekinal's father (Mr. Sharanappa Bekinal) sent message to SRI School management to express his gratitude for your kind support. He writes, "SRI, Sri Ranganath International school is the best school in Bagalkot district. My daughter , Priya was an average student in the previous school , but this year after joining SRI Priya has improved well in all aspects like study and co- curricular activities. We are very grateful to the school Principal and teachers for putting in efforts to bring about this positive change . The teaching method is very good and school campus is very beautiful. The teachers are always involved in working towards the overall development of the students." (Priya Bekinal of Grade: IX).

Thanking You!

I am the father of Ms. Anusha K. of Grade: X A (Mr. Mutturaj Kadibail) studying in SRI School. He writes "SRI school is very beautiful. It has a good systematic learning atmosphere, new methodologies, and activities environment keeps students engaged and always busy for good. All the staff are good. Teachers are well experienced and always care for each and every student. My daughter's skills have improved a lot after joining SRI school. I thank all the teachers and school staff for making it such a comfortable and educational place of learning. My daughter has learned so many wonderful things in her life. She learned music, dance, playing sports, participating in competitions , and exhibiting her skills and talent on various occasions. She also learned how to behave and carry herself in society. SRI school is also the safest place, and there are ample security staff to keep an eye on students. I think it is not only a school, but a temple of education. I hope SRI school will always remain as one of the best schools in our country.

Wishing for a bright future for the school.

Thanking You!
